

Las esuegras de agora
son gusanos de pared
los malmeten a los hijos
que los hacen de piedrer.

No maldigash la mi mama
No maldigash sin razon
Ella cuando era moza
Hizo l'amor con mi señor

Yo hize l'amor con tu padre
salio vero y me tomo
los mansevicos d'agora
la dejan kon la dolor.

The mothers-in-law of today
are like worms in the wall
they mislead their sons
and spoil them.

Don't insult my mother
don't insult her without reason
when she was young
she made love to my father

I made love to your father
he came and took me with him
young men today
leave you only with pain.
